Description

The "Justifier" is a 2017/2024 38' Caison Center Console that packs big boat attitude and amenities in a smaller, one of a kind, package. From the Carolina Flare to the fast smooth ride and everything in-between she is ready to go immediately. After just completing a **complete** renovation and update, completed by Caison Yachts, the owner has decided to place her on the market. This refit was complete and all details are listed below, but major items replaced include engines, genset, sea keeper, electronics, watermaker, and ice chipper. If you are in the market for boat that is a "head turner" wherever she is, and is equipped better than most 60 foot convertibles on the market then this boat deserves a look.

Interior

The cabin is surprisingly large and features a nice double bed forward which has a long storage cabinet on each side that could be used for rod storage, there is a teak cabinet to port which has two drawers and refrigerator. Unlike most console cabins, the head is separate and has a door and features a freshwater head along with a teak vanity and sink. Along the aft wall of the console is an access door to the pump room, and above this are a fusion stereo unit, flush mounted microwave and the two AC and DC breaker panels. There is a czone digital system which is tied into the Garmin units that allows you to turn on and off most systems and lights. This area also is climate controlled by a 16000 Btu Dometic reverse cycle air conditioning system.
